**Cumberland Pharmaceuticals Moving Corporate Headquarters to Broadwest**

**NASHVILLE, Tennessee** — Broadwest is pleased to announce it has entered into an agreement with Cumberland Pharmaceuticals Inc. to relocate the company's corporate offices to the Broadwest campus in the West End/Vanderbilt section of Nashville. Cumberland will establish its headquarters facility in the Broadwest office tower, with a move planned during 2022.

Cumberland (NASDAQ: CPIX) has emerged as the largest, public biopharmaceutical company founded and headquartered in Tennessee. The Company is focused on advancing patient care through the delivery of high quality medicines. Cumberland has built a portfolio of FDA approved brands supported by two national sales divisions. The Company also enjoys a robust pipeline of new medicines for the future, designed to address unmet medical needs. In addition to its domestic activities, Cumberland's business includes a growing contribution from a network of distinguished international partners who are working to bring Cumberland brands to patients in their countries.

"We are delighted to be part of Nashville's Health Care community, the largest industry sector in our area," said A.J. Kazimi, Cumberland's Chief Executive Officer. "Given our close collaboration with the internationally recognized Vanderbilt Medical Center, we wanted to stay in the West End corridor and look forward to working with Broadwest to join their beautiful new campus."

"We are pleased to welcome a great company like Cumberland Pharmaceuticals to the Broadwest community," said Chris Brown, President of Propst Development, LLC. "As we worked with Cumberland on their new headquarters space, we learned a great deal about their passion to improve patient care through the development and distribution of high-quality medicines. From our first meeting, we knew they would be a great addition to the Broadwest campus."

Founded in 1999 in Nashville, Tennessee, Cumberland concluded its initial public offering and listing on the NASDAQ stock exchange in 2009. The Company's Board of Directors and senior management team have many decades of experience in the health care and biopharmaceutical fields.

Cumberland currently occupies space in the 2525 West End building near Vanderbilt. As the Company continues to grow its Nashville presence, it sought a new collaborative and professional work environment, resulting in the selection of Broadwest.
